**30 April 2025**

**To our valued customers,**

On behalf of the entire team at **T4Power**, I'd like to extend a warm welcome to all customers of **Edwards Electric Generators**. We are honoured to continue the exceptional service you've come to expect, and we thank Roger for the trust he's placed in us as he transitions the business. The legacy Roger built over the past 29 years is a testament to his commitment to quality, relationships, and community—and we are proud to carry that legacy forward.

T4Power is **Canada's largest Cummins Residential and Light Commercial Standby Power Dealer**, and we've been actively serving your region for over five years. Our focus is Southern and Central Ontario, with a service reach that includes Parry Sound, Huntsville, Barrie, Guelph, St. Catharines, Ottawa, and the communities along the St. Lawrence River.

While we are proud to be a certified Cummins dealer, we also service Generac and many other generator brands, providing the flexibility and support your system needs. No matter what equipment you rely on, you can count on factory-trained technicians, responsive support, and a deep commitment to keeping your home or business running smoothly—so you won't be left in the dark when it matters most.

In the coming weeks, a member of our **Residential Service Team** will contact you directly to schedule your next service and answer any questions you may have. In the meantime, we're always here if you need us—just call our **24-hour Emergency Service Line at 1-855-876-9372**.

We know how important reliability and trust are when it comes to your standby power system. As a T4Power customer, you can count on us for:

- The **same easy payment process**
- **Consistent pricing**
- **Uninterrupted service**
- An expanded team of technicians, parts access, and around-the-clock support

Once again, welcome to the T4Power family. We look forward to getting to know you and ensuring the same peace of mind and quality of care that Roger and his team have delivered for decades—with the resources to ensure **you're always prepared, always powered, and never left in the dark**.

Sincerely,

**Kirk Tilley**  
President  
T4Power
